# Advanced Digital Marketing

Course code: MS370 From: 13-12-2026 Venue: Istanbul - Radisson Blu Hotel, Istanbul Sisli Course Fees: 5000 £

## Introduction

In today's competitive digital landscape, organizations must go beyond basic online presence and leverage advanced digital marketing strategies to capture attention, generate leads, and convert customers. This program provides a deep dive into high-performance digital tactics, data-driven decision-making, automation tools, and omnichannel growth strategies used by leading brands worldwide. Participants will gain hands-on experience with real case studies, campaign simulations, and optimization techniques to elevate their digital marketing impact.

## Course Objectives of Advanced Digital Marketing

At the end of this program participants will be qualified to:

- Design and execute data-driven digital marketing campaigns across multiple channels.
- Utilize advanced SEO, SEM, and social media strategies for lead generation and brand positioning.
- Optimize conversion funnels using analytics, A/B testing, and behavior tracking.
- Leverage marketing automation and AI tools for smarter targeting and personalization.
- Develop ROI-driven digital strategies aligned with business goals.

## Course Methodology of Advanced Digital Marketing

- Lectures and Expert Insights: Leading industry experts will share their insights and best practices.
- Case Studies: Analyze real-world talent acquisition challenges and solutions.
- Group Discussions: Engage in meaningful discussions and share experiences with peers.
- Role-Playing and Simulations: Practice recruitment scenarios to enhance skills.
- Hands-on Workshops: Gain practical experience in using recruitment tools and techniques.

## Organizational Impact of Advanced Digital Marketing

- Enhanced brand visibility and online authority.
- Increased lead generation and improved conversion rates.
- Stronger alignment between marketing performance and business objectives.
- Reduced advertising waste through data and performance tracking.

## Personal Impact of Advanced Digital Marketing

- Advanced command of digital marketing tools and analytics platforms.
- Confidence in planning and optimizing high-budget digital campaigns.
- Ability to interpret data and make strategic marketing decisions.
- Competitive edge for roles in growth, strategy, and digital leadership.

## Target Audience of Advanced Digital Marketing

- Digital Marketing Specialists & Managers
- Brand Managers / Growth Marketers

- Entrepreneurs & Business Owners
- Content Strategists & Communication Professionals
- Sales & Marketing Consultants
