Organization Design, Workforce Planning & Talent Attraction

Course code: HR349 From: 15-11-2026 Venue: Online - Course Fees: 1400 £

Introduction

Organizations succeed when their structure, workforce planning, and talent acquisition strategies work seamlessly together. Business strategies often fail not because of poor vision, but because the right people are not in the right roles at the right time. This training program provides a step-by-step, practical framework to align organization design (OD), workforce planning (WP), and talent attraction (TA) into a single, integrated plan. By connecting business strategy to people needs, forecasting future talent requirements, and developing effective attraction strategies, participants will be equipped to design sustainable talent pipelines that ensure organizational success.
