Understanding Pay Structures and Employee Benefits

Course code: HR347 From: 21-12-2026 Venue: Kuala Lumpur - Course Fees: 5000 £

Introduction

Compensation and benefits play a critical role in attracting, motivating, and retaining talent. A well-designed pay structure ensures internal equity, external competitiveness, and alignment with organizational strategy. This course provides participants with a practical understanding of pay structures, job evaluation methods, benefits packages, and compliance considerations. Participants will also learn how to balance organizational costs with employee motivation and satisfaction while maintaining competitiveness in the labor market.

Course Objectives of Understanding Pay Structures and Employee Benefits

Upon completing this program, participants will be able to:

- Understand the principles and components of pay structures.
- Apply job evaluation techniques to determine appropriate pay levels.
- Analyze market data to ensure competitive compensation.
- Design and implement employee benefits programs.
- Align compensation and benefits with organizational strategy and legal frameworks.
- Communicate pay and benefits effectively to employees.

Course Methodology of Understanding Pay Structures and Employee Benefits

- Lectures and Expert Insights: Leading industry experts will share their insights and best practices.
- Case Studies: Analyze real-world talent acquisition challenges and solutions.
- Group Discussions: Engage in meaningful discussions and share experiences with peers.
- Role-Playing and Simulations: Practice recruitment scenarios to enhance skills.
- Hands-on Workshops: Gain practical experience in using recruitment tools and techniques.

Organizational Impact of Understanding Pay Structures and Employee Benefits

This training program will have a positive impact on organizations by:

- Ensures fair and consistent pay practices across the organization.
