## Associate Professional in Talent Development (APTD)

Course code: HR363 From: 21-06-2026 Venue: Cairo - InterContinental Cairo Semiramis Course Fees: 3100 £

### Introduction

In today's dynamic business environment, talent development has emerged as a critical driver of organizational success. Effective talent development ensures that organizations not only attract but also retain, nurture, and maximize the potential of their workforce. Managers play a pivotal role in this process by aligning talent strategies with business goals and fostering a culture of continuous learning and growth.

The Associate Professional in Talent Development (APTD) program, designed by Global Horizon Plus Training Center, is a comprehensive course tailored for managers who aim to deepen their expertise in talent development principles and practices. This program covers essential competencies including learning and development strategies, performance management, coaching, and succession planning. It empowers managers to become catalysts for talent growth, driving organizational performance and competitive advantage.

### Objectives

By the end of this training, participants will be able to:

- Understand core principles and best practices of talent development.
- Design and implement effective learning and development programs.
- Manage employee performance aligned with organizational objectives.
- Apply coaching and mentoring techniques to support employee growth.
- Develop succession planning and career development strategies.
- Use data and analytics to measure talent development effectiveness.
- Lead talent development initiatives that contribute to organizational success.

### Course Methodology

The program combines various instructional methods to maximize learning and application:

- Interactive Lectures covering theory and practical frameworks.
- Case Studies highlighting successful talent development practices.
- Hands-on Workshops to design learning plans and coaching sessions.
- Role-Playing and Simulations to practice performance management conversations.
- Group Discussions to share insights and challenges.

- Action Planning to apply concepts in participants' organizational contexts.
- Continuous Feedback and peer learning.

## Organizational Impact

Organizations with skilled managers in talent development can expect:

- Enhanced employee engagement and retention.
- Improved workforce capabilities aligned with business needs.
- Increased leadership pipeline readiness.
- Stronger culture of continuous learning and adaptability.
- Better alignment of individual performance with strategic goals.
- Measurable improvements in productivity and organizational outcomes.

## Target Audience

This course is designed for:

- Managers and team leaders responsible for talent growth.
- HR professionals focusing on learning and development.
- Supervisors aiming to enhance coaching and performance management skills.
- Organizational development practitioners.
- Anyone interested in advancing their talent development expertise.
