Mini MBA for CEOs

Course code: ML314 From: 11-05-2026 Venue: Singapore - Course Fees: 5250 £

Introduction

In today's fast-paced, complex, and hyper-competitive business environment, Chief Executive Officers (CEOs) face an unprecedented need to evolve beyond traditional leadership models. They must now act as visionaries, strategists, change agents, and innovation architects—while navigating global economic uncertainties, technological disruptions, stakeholder demands, and ESG considerations.

The Mini MBA for CEOs is a condensed, high-intensity executive development program tailored for top-level leaders seeking to strengthen their mastery of core business disciplines while advancing their strategic thinking, innovation capabilities, and global leadership impact. Designed to simulate the scope of a traditional MBA—but focused on CEO-level concerns—this program brings together cutting-edge insights across leadership, corporate strategy, finance, people management, transformation, and governance.

CEOs will benefit from world-class frameworks, interactive simulations, real-life case studies, and peer-level dialogues, all aimed at equipping them with a robust toolkit for immediate and long-term impact. This course doesn't just prepare participants to lead better—it prepares them to lead boldly and sustainably in a volatile world.

Course Objectives of Mini MBA for CEOs

Upon completing this program, participants will be able to:

- Develop and execute transformative strategies aligned with market dynamics
- Lead organizational change with resilience, clarity, and agility
- Understand and drive financial performance through key metrics and strategic investment decisions
- Build a high-performance executive culture grounded in trust, innovation, and accountability
- Navigate global business environments, risks, and governance frameworks
- Enhance leadership presence, decision-making skills, and communication at the board level

Course Methodology of Mini MBA for CEOs

- Lectures and Expert Insights: Leading industry experts will share their insights and best practices.
- Case Studies: Analyze real-world talent acquisition challenges and solutions.
- Group Discussions: Engage in meaningful discussions and share experiences with peers.
- Role-Playing and Simulations: Practice recruitment scenarios to enhance skills.
- Hands-on Workshops: Gain practical experience in using recruitment tools and techniques.

Organizational Impact of Mini MBA for CEOs

This training program will have a positive impact on organizations by:

- Elevates strategic agility and innovation across the leadership team
- Enables sharper, faster, and more financially sound decisions from the C-suite
- Enhances the company's resilience to economic and geopolitical shifts
- Strengthens internal governance, talent development, and succession planning
- Inspires a forward-thinking culture aligned with long-term sustainability and ESG goals

Personal Impact of Mini MBA for CEOs

Participants will experience personal growth and development, including:

- Refines strategic and critical thinking under real-world pressures
- Expands the CEO's toolkit in leadership, finance, innovation, and global operations
- Improves executive presence, emotional intelligence, and board-level influence
- Broadens perspective through benchmarking with global best practices
- Builds lasting peer networks with other elite leaders and thinkers

Who Should Attend

This training program is ideal for:

- Chief Executive Officers
- Managing Directors
- Presidents or Vice Presidents (C-suite)
- Founders and Entrepreneurs
- Successors to CEO or Board positions
- Government or nonprofit executives managing complex organizations
