# Leadership Mastery: Navigating the Office Environment

Course code: SC367 From: 22-11-2026 Venue: Amman (Jordan) - Course Fees: 3100 £

## Introduction

This 5-day training program combines the essential elements of strategic leadership and office management to provide a comprehensive understanding of how to effectively lead and manage in today's fast-paced business environment. Participants will gain practical skills and insights to help them become more effective and confident leaders, as well as more efficient and productive office managers.

## Objectives

- To understand the principles and practices of strategic leadership and how to apply them in the workplace.
- To develop the skills and knowledge needed to effectively manage and lead teams, communicate with stakeholders, and make informed decisions.
- To learn the fundamentals of office management, including how to manage workflow, processes, and technology.
- To acquire the tools and techniques needed to manage financial resources, improve office systems, and build strong relationships with internal and external stakeholders.

## Target Audience

- Professionals who hold leadership or management positions in their organizations and are looking to enhance their skills and knowledge in these areas.
- Office managers and administrators who are responsible for the day-to-day operations of their offices.
- Participants should have a basic understanding of business operations and administration, as well as an interest in personal and professional development.
