Strategic Human Capital Operations and Workforce Management

Course code: JV420 From: 26-10-2026 Venue: Barcelona (Spain) - Course Fees: 5000 £

Introduction

Strategic Human Capital Operations and Workforce Management is designed to help HR and Human Capital professionals align workforce operations with organizational objectives. The course provides participants with the knowledge and practical tools required to optimize human capital processes, improve workforce planning, enhance employee productivity, and support organizational growth through effective people management strategies.

Course Objectives

By the end of this course, participants will be able to:

- Understand the strategic role of Human Capital Operations in achieving organizational goals.
- Develop effective workforce planning and management strategies.
- Improve operational efficiency across HR and Human Capital functions.
- Enhance employee lifecycle management processes.
- Utilize workforce data and analytics to support decision-making.
- Strengthen compliance, governance, and risk management practices.
- Improve employee engagement, productivity, and retention.
- Apply best practices in workforce management and operational excellence.
